Subject: Spring Break in Mexico ?

Message: If you or your children are considering a vacation, spring break, or senior trip to Mexico, you need to be aware that the United States Department of State has issued travel warnings to ALL U.S. Citizens traveling to Mexico.

Narco-Trafficking Violence has dramatically increased in Mexico, especially in Northern areas near the U.S. Border. However, crime such as murder and kidnappings is also on the rise throughout the country - even in resort areas.

The State Department website also provides specific information for those contemplating a "spring break" trip to Mexico. It can be found at:

http://travel.state.gov/travel/cis_pa_tw/spring_break_mexico/spring_break_mexico_2812.html

If you do plan to travel south of the border, you should be aware of this advisory.

"Protecting and Serving the citizens of St. Charles Parish."
